

# The Enchantment of Beauty and the Beast

**Weekly Update March 21, 2021**

Hello Cast:

This is gonna be a great show and you all are doing so well!! Let's keep it up!!

This week's assignment due Saturday March 27 is watching Consider Yourself from the musical Oliver and writing down the different things going on in the background throughout the number!!

To reiterate what is being rehearsed this week:

**All week is ALL call which means everyone is due at rehearsal!**

**Tues:** Blocking Fables and Fairytales, then blocking the Prologue which is the opening party scene including 'I'm a Prince'.

Meanwhile Isabel, Marguerite, Grasp and Greedo work on 'Fine Gifts'.

**Thurs:** Review from Tues. Add the party scene with waltzing, finish blocking.

Meanwhile: review for Isabel, Marguerite, Greedo and Grasp and Beauty

**Sat:** Review Prologue. Review music.

Block A1S1 up to Fine Gifts (pg12-19)

Continue with music.

A few changes in the cast:

Cain will be playing Brutus and is still Chorus-Guest  
Moving Gabrielle from Wait Staff to Guest

I think that's it...

Please be going over music and lines!

Best,

*Patrice Whitson*
