**Costumes:** The majority of the costumes for FOF will be "street clothes." Actors should begin thinking about possible costumes. **Actors should bring in proposed costumes to rehearsal or email pictures to [productionteam@thehcpac.org](mailto:productionteam@thehcpac.org) by Saturday, December 5.**

\*\*Costume inspiration is below! We are not looking for you to wear exactly what is worn in these photos. We are giving you the freedom to wear what you think your character would wear!\*\*

**MEMORIZATION DEADLINE:** All actors must be Off Book by December 15!

**Fundraising:** HCPAC asks each actor to fundraise \$100 for the show. This fundraising can be in the form of playbill ads and shoutouts, and there will also be other fundraising opportunities being announced through the production period.

**Shopping Bags:** Since the store is set in a mall, we will need an assortment of shopping bags. We are looking for bags like the picture below. If you are able to save and donate your store bags from Christmas shopping, we would appreciate it!
