Fundraising: HCPAC asks each actor to fundraise \$100 for the show. This fundraising can be in the form of playbill ads and shoutouts, and there will also be other fundraising opportunities being announced through the production period.

Shopping Bags: Since the store is set in a mall, we will need an assortment of shopping bags. We are looking for bags like the picture below. If you are able to save and donate your store bags from Christmas shopping, we would appreciate it!
