

Good evening,

I want to thank our cast for their excellent work tonight. I know these Saturday evening rehearsals are rough, but we got so much done. For those who were unable to attend, we learned the music for "Let the Sun Shine On," "For the First Time in Forever," and "Love Is an Open Door." We also blocked "Let the Sun Shine On."

The next two weeks' schedule is as follows:

Monday, 9/30: Princess practice. Only the four princesses are called. 6:00-8:00

Wednesday, 10/2: Tablework and character building. All speaking roles and Sven. Steward, Bishop, and solo singers with no spoken lines are not needed. Also, featured dancers will rehearse simultaneously. 6:00-8:00

Saturday, 10/5: Full cast 4:30-8:00.

Monday, 10/7: Act I blocking. All Act I speaking roles and Sven. 6:00-8:30

Wednesday, 10/9: Act I blocking. All Act I speaking roles and Sven. Also, featured dancers will rehearse simultaneously. 6:00-8:00

Saturday, 10/12: Full cast 4:30-8:00.

When I send this document to be posted, I will also be including the music tracks and sheet music, so hopefully they will be added to the Callboard around the same time this is. As a reminder, if you have easy access to a printer, we ask that you print the sheet music yourselves. If not, please email us at productionteam@thehcpac.org. In general, everyone who doesn't already have a script will be singing in each of the songs that will be posted. The exceptions are the Palace Staff/Hidden Folk, who will not be singing "Hygge," and the Featured Dancers, who will not be singing "A Little Bit of You," "Let It Go," "For the First Time in Forever (Reprise)," "Colder by the Minute," or "Finale I."
