There is no rehearsal Monday, 10/19 due to *Oz/s* tech week.

COSTUMES

There were some Ocean Chorus members who did not have their leotards in today. Please bring these to the theater Wednesday, as it is important that we have them ready for this coming Saturday.

We had a decent number of students bring their plastic totes this week as requested, but it was still less than half the cast. Please make sure you have them for Wednesday's rehearsal.

Costume painting is this coming Saturday. While we will not need nearly as much assistance with this project as with the skirt making, it would still be nice to have a couple parents there, especially if their student is in the Village Chorus and would have difficulty doing their own painting.

The only individuals who will not be needed for costume painting are Gramma Tala, Moana, and the Chief Ancestors. We advise all others to wear clothing that day they don't mind getting paint on.
