	3:00-4:00	Full Cast	Run Act II
	4:00-4:30	"Te Fiti Restored"	Choreography w/ Costume Change

## MUSIC

Our biggest challenge with performing this show with face shields will be volume; the students will need to sing with strong vocal projection. How next Saturday's run of Act I will go will be that each time the cast is not loud enough on a song, they will have to start over until it is. As a reminder, this will also be their first run off-book, so they will need to know the words in order to achieve this as well. Please make sure the students are practicing their music at a strong volume. This is not a subtle show; with the exception of maybe "Tulou Tagalou", if your child cannot be heard throughout your whole house when they are practicing, they are probably not being loud enough.

## COSTUMES

Costume painting went quite smoothly, all things considered. However, not everyone was able to make today's rehearsal. Some people were able to find time to paint a couple of the costumes for absent cast members, but not the majority of them. If you are on the list below, please plan on staying late next Saturday (as indicated above) to paint your costume:

Caitlin Shorey  
Daytona Walsh  
Haley Osborne  
Kenly Cooper  
Luke Patterson  
Rhiley Goss

Our second round of skirt making will be two Wednesdays from now. Everyone who wears a grass skirt should be there, as the skirts can always be made thicker. We will *need* at least four or five parents to help with cutting and distributing ribbon. If you are available, please email [productionteam@thehcpac.org](mailto:productionteam@thehcpac.org). As a reminder, clearances are required for parent volunteers and can be submitted [here](#).

## **GRAND REOPENING**

Our cast has been asked to perform a number at HCPAC's Grand Reopening Cabaret the evening of Saturday, November 14<sup>th</sup> as a promotion for the show. Before determining what number that will be, I need to know if anyone will not be available. If your student(s) will not be able to participate that evening, please email [productionteam@thehcpac.org](mailto:productionteam@thehcpac.org) at your earliest convenience. All others, please mark this on your calendars. More information on the event can be found [here](#).
