### **ATTENTION PARENTS:**

**Please note that beginning Tuesday our rehearsals will run until 9PM.**

The cast has done great job. Our tasks over the next couple weeks is to fine tune. As we move into these last two weeks please help us by having your child at the theater at least 15 minutes early. That will give them time to get ready so we can begin on time. We will begin dressing for our rehearsal this week and the extra time is important.

We are also looking for several parents who might be willing to assist back stage during our performances. Our need is for help making scene changes and monitoring behavior back stage. If there enough able to assist it we can share the duties so no one has to help more than one performance. If you are willing to help it will require participating in several rehearsals beginning Saturday March.6. If you help let me know when dropping off your child this week or email me at [ted4900@gmail.com](mailto:ted4900@gmail.com).
