

## Basic Stage Makeup Kit

For all cast members- please ask if makeup for very young cast members. Please bring the following items to all dress rehearsals in a ziplock or makeup bag. Label each individual piece with your name. Siblings may share makeup but otherwise eyeliner and mascara must be individual.

- Foundation- if *fair or light* skin select a liquid foundation two shades darker than your true shade. If *dark or deep* skin select a translucent powder for medium dark skin.
- Eyeliner- all cast will need a eyeliner *pencil*. Black is appropriate for majority of cast with brown only being the selection for those with very fair skin and hair.
- Mascara- again black is the choice for the majority of cast with brown only for those with very fair skin and hair.
- Blush- a more neutral tone is preferred- please avoid bright blush colors such as bright pinks and reds. Softer colors are ok, makeup team will work with you if need a different color. Men please choose a nude/tan color for your blush.
- Lip color- for ladies two shades darker than your natural lip color is preferred. For males please choose a lip color one shade darker than your natural lip color. Please avoid shimmer and sparkle.
- Makeup sponges
- Common extras- clear lip gloss, black liquid liner, colored lipstick. If you need any of these items you will be informed.

Elf brand as well as Wet-n-Wild have products that work well and are at very affordable prices with things running from \$1-6 for basic makeup.

These are available at Target, Walmart, drugstores, etc. You can bring any brand makeup you like, but if buying for stage specifically we like to recommend affordable products . If you have makeup at home feel free to bring it in for approval if it's slightly different than the list- we want to work with you and keep your costs as low as we can! If anyone has any questions on products or to see examples of things that will work for you please talk to the makeup lead. We are happy to help!
